I apply for the English Pool Association ID Card, and agree to abide by the rules and constitution of the Association.

I understand that should I play in or administer a pool event organised in direct competition with the English Pool Association (EPA), then this registration may be suspended. Events that EPA recognises as in direct competition to the WEPF, EEPF & EPA rules are any events above local league level; specifically, 'Inter-league', 'Inter-county' & 'International' events. Playing in or administering these level of events whilst a current valid EPA registered ID cardholder, will result in disciplinary action by the EPA, which may result in suspension of EPA registration. I understand EPA ID Card holders cannot play on the IPA Tour and if they do, will face suspension
