- Fees for the year must be forwarded to the LCPA Interleague Secretary, 6 Quakerfields, Darwen Lancashire BB3 0DU.
- All payments to Lancashire County Pool Association.
- League Affiliation Fee: £50
- Interleague Team Fee: £15 plus a £30 deposit for all new teams, refundable on completed fixtures.
- It has been mandatory from 2014 for affiliated leagues to provide a copy of your Constitution and Rule Set to LCPA.

Is your affiliation continued from last year?	
Do you want to enter an Interleague team/s?	
Do you play Winter and Summer leagues?	
Number of players per team (minimum 5)?	
Usual number of teams in your league?	
What is your leagues website address?	
What rules does your league play to?	
Is your Constitution & Rules on your website?	

If you are entering an Interleague team as a continuation from the previous season and your £30 deposit is already held by LCPA, then this can be carried over. If however you are not entering an Interleague team, then your deposit will automatically be refunded, provided that all fixtures have been completed in the previous year. If you are continuing affiliation only, then your deposit can be offset against the affiliation fee.

LCPA's preference is to encourage all affiliated leagues to adopt WEPF, EPA adopted 8Ball World Rules, being the incumbent rules in all EPA organised leagues and tournaments. However, there is no ruling for affiliated leagues to adopt 8Ball World Rules.

LCPA have a care of duty to ensure that any affiliated league is run to EPA standards and to ensure a comprehensive constitution and rule set is in place. LCPA are happy to advise or assist with any help that an affiliated league may request.

Most information can be easily found on the LCPA website [www.lancashirepool.com](http://www.lancashirepool.com) but LCPA will regularly update you with County trial dates, competitions, meetings minutes, news, changes and much more. **Don't forget, LCPA are here to help you!**

Please enter the number of teams, cross out as applicable & enter total payment
